

“UNSETTLING
ACCOUNT OF HOW DUBIOUS
‘SCIENCE’ POSSIBLY LED TO AN
IRREVERSIBLE MISCARRIAGE
OF JUSTICE.”

Joe Leydon, VARIETY

“RIVETING...
STUNNING...
A BLOCKBUSTER
OF AN ENDING...”

David Mann, THE TEXAS OBSERVER

“A VISUALLY BEAUTIFUL,
ENIGMATIC FILM
THAT FULLY IMMERSSES ITS AUDIENCE
IN A WORLD WHERE FIRE DYNAMICS
MEET HUMAN DYNAMICS AND
MYSTERY THRIVES.”

Nick Barbieri, THE AUSTINIST

In the battle between
science and Texas politics,
sometimes the truth
goes up in flames.

INCENDIARY

the willingham case
